## In Trees I Trust

**David Paul Bayles**

**Photographer  
Philomath, OR**

Photographer David Paul Bayles focuses on landscapes where the needs of forests and human pursuits often collide, sometimes coexist, and on occasion find harmony. Some of his projects utilize a documentary approach, whereas others use a more contemporary art practice. His life experiences as a logger and lover of wood and a committed environmental activist provide an authentic and unique voice for his photographic projects. His photographs have been published in numerous magazines and books.
